

Road Test Day Checklist

This checklist is a general guide for students. Requirements may change. Always consult the official NYS DMV road test guidelines.

- Valid learner permit.
- 5-Hour Pre-Licensing Course certificate (MV-278).
- A vehicle that meets DMV road test requirements (valid registration, inspection, insurance).
- A licensed driver at least 21 years old to bring the car to the test.
- Working seatbelts, lights, signals, horn, mirrors and windshield.
- Confirmation of your scheduled road test appointment.
- Arrive 30 minutes early.
